Richard M. Berman
Richard M. Berman, U.S.D.J.Adjourn conference to
8/21/07 @ 11:00.

Dear Judge Berman:

Our firm represents the defendant, Max Rave, LLC in the above-referenced matter. I am writing to request an adjournment of the initial Rule 16 Conference which is currently scheduled for this Monday, July 23, 2007 at 2:15 p.m. I also respectfully request that the Court grant an extension for the defendant to serve its Answer in this case in accordance with the stipulation that has been sent along with this letter. It should be noted that the plaintiff's attorney, Marshall Potashner, agrees that the conference should be adjourned.

Briefly, this is a contract matter which is very close to resolution. The plaintiff requested certain documentation from my client which has been provided and which is currently being reviewed by plaintiff. I have been advised that the parties will know within the next couple of weeks as to whether or not this case can be resolved.

In light of the foregoing, we respectfully request the courtesy of an adjournment of the Rule 16 Conference for approximately thirty (30) days in order to afford the parties some additional time within which to resolve this case.

Respectfully submitted:

NEIL F. BRENES
